

Field Goal %

```
graph TD; A[Field Goal %] --> B[% of Baskets Assisted]; A --> C[Win %]; B --> C;
```

A flowchart with three rectangular boxes. The top box is labeled 'Field Goal %'. Below it are two boxes: '% of Baskets Assisted' on the left and 'Win %' on the right. An arrow points from the bottom of the 'Field Goal %' box to the top of the '% of Baskets Assisted' box. Another arrow points from the bottom of the 'Field Goal %' box to the top of the 'Win %' box. A third arrow points from the right side of the '% of Baskets Assisted' box to the left side of the 'Win %' box.

% of Baskets Assisted

Win %
